

The Center for Lutheran Education Lutheran High School San Diego

Day of Our Lord

Dear Parents/Guardians:

As we start to think about the next academic year, we realize all families are looking at the financial commitment required to send their student(s) to Lutheran High School San Diego.

The high-quality education and individual attention your student receives in the caring environment of LHSSD is priceless. Everything we offer is very modestly priced compared to the costs of other private schools.

LHSSD is very blessed to have most of our families capable of handling this financial stretch. However, we have a limited amount of funds available for families that are highly motivated to have their student(s) here but for certain reasons would not be able to pay the entire amount of tuition. Should you feel that you fall into this category, LHSSD would appreciate the opportunity to help.

FACTS Grant & Aid Assessment will be conducting the financial need analysis for Lutheran High School San Diego for the upcoming school year. Families applying for financial aid will need to complete an application and submit the necessary supporting documentation to *FACTS Grant & Aid Assessment* by April 30th deadline. Applicants can apply online at <https://online.factsmgmt.com/signin/4JJPX>. Once an online application has been completed, and the \$30.00 fee has been paid, the following information will need to be sent to FACTS to complete the application process:

- Copies of your W-2 forms for both you and your spouse.
- Copies of supporting documentation for Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and TANF.
